

### Exhibition:

I am taking part in the BKFH Salong, at Hordaland Art Center in Bergen, 21. April - 9. May.

The salon marks the 90th anniversary of Bildende Kunstneres Forening Hordaland (the union for visual artists in the county of Hordaland).

Opens 21. April 2021

### Book: *Moments Reflected*

I am very pleased that my book *Moments Reflected* has been so well received. It has received pleasant reviews, and has been awarded a bronze at both the Tokyo International Foto Awards and at the Budapest International Foto Awards. It was also awarded Official Selection in the London International Creative Competition.

There are still copies available from Skeleton Key Press, selected online bookstores, and myself.

### *Broken Shadow*

As exhibitions have been limited and postponed during the past year, it has been very nice to receive so much positive feedback on *Broken Shadow*. Images from this project have been awarded an Honorable Mention at Tokyo International Foto Awards (TIFA), and Official Selection in the London International Creative Competition (LICC).

I look forward to being able to show this work on the walls as soon as possible!
