Awards

After being awarded two Bronze, an Honorable Mention and two Official Selections last year, it has been a pleasure to see *Moments Reflected* receiving 1st Place - Book Overall and Gold, Book - Fine Art at the Moscow International Foto Awards 2021. Also, images from *Broken Shadow* received a Silver in the Fine Art category.

I am also honored to be among the winners of the Lens Culture Critics Awards for 2021. The submitted images were from *Broken Shadow*

Collaboration

This year I have had my third collaboration with playwright Per Jan Ingebrigtsen, which has resulted in the upcoming release of *To lyse hundar*.

This book contains a play (in Norwegian), a strong story about memories, regrets and confinement. It also contains 14 of my images, and the book will be released during the Faturiltu book festival at Stord, on November 8.
